

Welcome. Come on in.

You can visit our safe environment anytime to get the care your child needs.

Pediatric Care

Routine exams and immunizations are vital to your child's health, so don't wait. We're open and ready to see your kids, safely and quickly.

Safety depends on everyone wearing a face covering. Please remember to bring yours.

Contact your Trinity Health pediatrician today, or call **857-DR4U** and we'll help you select one who's right for your child.
