Market **Forecast**

*Resident astrologer **Kate Chadwick** provides your planetary predictions with a particularly local twist*

Aries (3/21-4/19): It's your season, ram friends, and high time for you to step into the main character role. Make an appearance at the West Chester Film Festival—maybe you'll finally be discovered as the star you are..

Taurus (4/20-5/20): Your planetary ruler, Venus—queen of all things beauty—is in your sign for a spell, bulls, and you're a big fan of all things beauty. Pop into Katie Mac for a bouquet and a plant or two to pretty up your home.

Gemini (5/21-6/20) Independent as heck, twins, you still have a large posse. The universe is asking you to reassess your squad—all of them—this spring. Out with the old, network the new by joining Heyday Athletic.

Cancer (6/21-7/22) This spicy Aries energy is in your career house, crab friends. Whether it's a promotion or a whole new gig, start with the top and work down, with a fresh cut at La Difference or Simply Men's Barber Shop.

Leo (7/23-8/22) The Aries sun is igniting your ninth house of travel and philosophy. Going away? Pay attention to your thoughts and feelings when you're there. A journal from Pine + Quill will help you keep track.

Virgo (8/23-9/22) Intimacy and control are at odds now, Virgo. Let the Aries energy help you loosen your grip on feelings, and by extension, body. If oysters are an aphrodisiac, Greystone is where you'll find them. Just saying.

Libra (9/23-10/22) It's all about partnership now, lovelies—especially if you're single. Smile at a stranger if you feel it. Keep your mind and eyes open, even if you're just sitting in the waiting room at Goshen Chiropractic..

Scorpio (10/23-11/22) This Aries energy is propelling you Scorpions right out of a rut. A complete overhaul of your fab self is unnecessary, but maybe just a simple change to your usual route around town. Spring in WC is exquisite.

Sagittarius (11/23-12/21) Your innate sense of adventure and spontaneity is front and center. The universe is coaxing you to put yourself out there—way out there. Off the Rail Karaoke Drag Show at Split Rail is just the ticket.

Capricorn (12/22-1/19) The sun is in your house of family and foundations, goats. Take your foot off the work pedal and shift your focus. If it's home, a kitchen or bath revamp via Giuseppe's. For family time, pizza night at Brothers.

Aquarius (1/20-2/18) It's all about community and education for you, water-bearers. Kill two birds at the West Chester Public Library. Their events and workshops range from crochet to book discussions to a ukulele group.

Pisces (2/19-3/20) A little spring organizing is on tap for you, fish friends. That could extend from a domicile refresh to a large purchase. Either way, your wallet will be involved. Talk with the folks at First Bank about a loan..
