YOUR GIFT MEANS SO MUCH

A MILLION THANKS

Thank you for donating on NTX Giving Day! Your generous support makes a meaningful difference to children, parents, and families, as we continue to change lives every day.

Your gift on NTX Giving Day brings us one step closer to reaching our overall fundraising goal for the year! A huge thank you to you and the 115 people who donated. Thanks to you, we raised $25,964 during the 18 hours of NTX Giving Day!

The money raised will help us provide TOB programming to so many more families in English and Spanish (as we continue our translation project)! Your gift also helps us continue developing content for high school and families to better understand the Theology of the Body.

Sincerely,

Amanda Hoyer, Development & Outreach Coordinator
