21 Feb — 1 Mar
Regent Theatre

Experience the pain and passion of genius played out before your eyes.

Australia's national dance company,
The Australian Ballet, presents *Nijinsky*.

John Neumeier's unmissable *Nijinsky* recounts the meteoric rise and tragic fall of the man who broke the boundaries of dance in a dark, complex and emotionally charged masterpiece.

Be swept into the glamour and decadence of 20th-century Paris in a performance you'll never forget. *Nijinsky* will change how you see ballet forever.
