[user:first_name],

Earning your PMP® certification is a great next step for your professional development. The **MBA with a concentration in Project Management** can help you get there and prepare you to go even further in your career.

The **University of Louisiana at Lafayette's online MBA degree** program offers a **PMI®-aligned** project management concentration designed to cover the subject matter you'll encounter on the PMP exam.

In as few as 15 months, you'll be prepared to lead business initiatives toward increased efficiency and profitability.

MBA with a concentration in Project Management At-A-Glance:

- 100% online courses
- $12,800 total tuition — learning materials included!
- 8-week, accelerated courses
- 33 credit hours

Request information today to speak with an enrollment specialist about how an MBA from the B.I. Moody III College of Business Administration can be the accelerant in your career advancement.

Sincerely,

Joshua Dufrene
