[user:first_name],

Because we are an accredited University, you can use federal financial aid toward your online degree program tuition, if you qualify.

It costs nothing to submit your FAFSA (Free Application for Federal Student Aid) and could allow you to access additional resources to cover your tuition. You can even submit before you begin your University application!

To complete your FAFSA, you'll need the UL Lafayette Title IV school code, which is: **002031.** Submit an application every year you plan to enroll to find any assistance available.

Another tip? Check with your employer to see if they have any tuition assistance or scholarship funds in place for staff.

To better understand key terms and aspects of financial aid, review our Financial Aid Glossary.

Finally, if you have questions about financial aid, we have a financial aid counselor dedicated specifically to online students. Reach out to the Financial Aid office to discuss your goals and to access relevant resources at 337-482-6506.

Sincerely,
