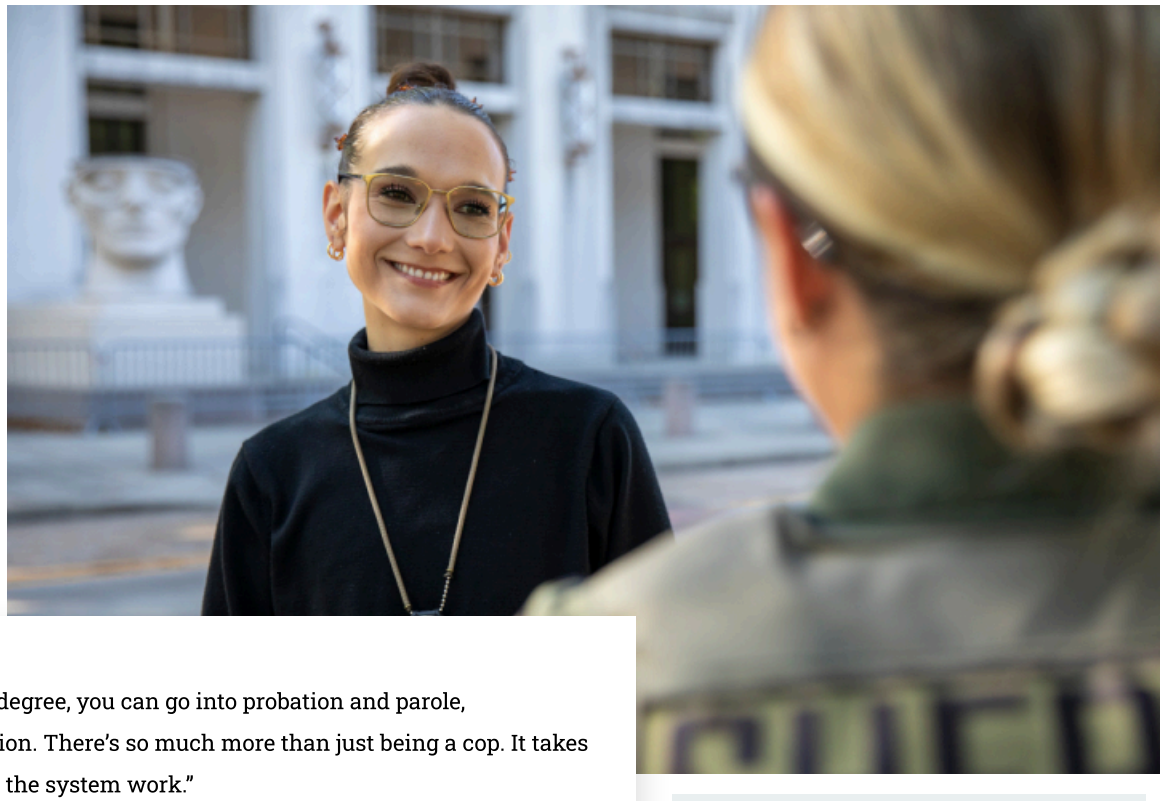
Criminal Justice Online



"With a criminal justice degree, you can go into probation and parole, investigation, rehabilitation. There's so much more than just being a cop. It takes a million people to make the system work."

Criminal Justice Grad Finds Her Calling as a Detective →

You should choose a criminal justice degree if:

- You're interested in pursuing or advancing your career in law enforcement, social justice, or advocacy.
- You want to take steps toward specializing your knowledge through graduate studies.
- You're interested in gaining a deeper understanding of criminal courts, criminal behavior, corrections, forensics, crime and mental health.
