To Whom It May Concern,

I am writing to offer Abby Wensell my highest level of recommendation. As the Director of Enrollment and Engagement at Duquesne University's School of Education, I have had the opportunity to work with Abby closely, and I can confidently say that she is an exceptional individual who has demonstrated a strong commitment to education, learning, and growth during her time at Duquesne.

Abby has consistently shown a high level of engagement and enthusiasm for education and a passion for teaching and learning. She has a strong work ethic and a genuine desire to impact her students, peers, and the community positively.

In addition to Abby's academic accomplishments, she is an active leader at our university. Abby is the President of our Student Education Organizations and holds numerous leadership positions. During this time, she has created opportunities for her peers to explore education outside the classroom which highlighted her strong leadership skills and commitment to always promoting education.

Overall, I believe Abby would be an excellent candidate for any position, program, or opportunity she chooses to pursue. I am confident that she will continue to excel in her future endeavors, and I wholeheartedly recommend her for any opportunity.

Sincerely,

Michelle Gapsky
