November is 'Adopt A Senior Dog' Month

Dogs in all size, colors and AGE are as adorable and loyal as you can imagine them to be.

November is a special month for our rescue and all our seniors who deserve a loving home.

Please don't look past a senior while adopting your furry companion. Their age is just a number and whatsoever does not change their unconditional love for their *hoomans*.

Prepare Your Dog For the Holidays

"I want to be Ready for the Holidays too!"

Holidays are gearing up and because we have a lot to prep for the holiday season, lets not forget our four-legged kids who are always ready to please and want to help get the house ready for family and friends too.

Guests and family staying over with us for the holidays can be fun and also be stressful for our pups as it tends to mess up with their regular routine.

That's why we recommend you to prepare your pups with these great tips for a fun-filled Holiday.

Wonder Woof of The Month!

"Hello people! I am Harley and I stand for the 'Adopt a Senior' month.

I am a 6 yr old mastiff lady and I weigh around 70lbs. I have been through a rough journey until I was brought to the city shelter. I was treated by their vet and pampered with lots of love, fresh food, water and treats.

PAWS then took me to a loving foster home and I have been getting so much undivided attention since then.

Well, you may think that I am a bit older, but I have still so much love and snuggles to give. Do you think I can be an addition to your family this holiday season?

Click Below to know what an awesome company I am."
