

LATITUDE 28° GLOBAL
PLATINUM MASTERCARD

How much do
you love them?

Hi 28DEGMC,

Whether it is a little or a lot, we've got the trip for any stage of your relationship life.

Let's face it - different stages of a relationship call for all kinds of holidays. Interstate when you like them a lot? Great. Sleeping in the car outside your Mum's place and calling it romantic? Not so much.

Whether your Valentine is your life partner, work wife, bromantic bud or your own best self, there's a Latitude 28° Global Platinum Mastercard® Luxury Escape that's just right for your Valentine, depending on how much you love them. And with no international or currency conversion fees when booking your travel or shopping abroad, that's a surefire way of us saying we like you... a lot.

Just swiped right

Everything's fresh, you're officially following each other on Instagram and you think this could be it. To keep sparks flying, try a romantic getaway to Sydney, featuring a glamorous stay at the Hyatt Regency with a cocktail overlooking gorgeous Darling Harbour. Clap clap, new Valentine.

Meeting the parents

Okay, so by now you know they're allergic to cats and their drink of choice is a pink chardonnay. Time to go all out with The Big Romantic Gesture - a 5 star private villa in the Cook Islands! Where you can treat your Valentine like the VIP they truly are.

Moving in

You've finally found someone you want to be around all the time. They know how annoying Sandy from Accounts is, and have their own special place on the couch. Whether it's a couple, throuple, work wife or bromance, you love them so much that you want to escape with them on an all-inclusive Luxury Escape to Thailand. With all your dining and a daily cocktail in your Lagoon View Room included in your Valentine package, you must love them a whole lot!
