Signature Truck Systems, a premier provider of propane trucks and services, is pleased to announce the appointment of Eric Salinas as the company's new General Manager, effective immediately. This leadership transition follows the retirement of Mike VanDenBoom, who will work closely with Salinas to ensure a seamless transfer of responsibilities.

Eric Salinas brings a wealth of knowledge and expertise to his new role. "It is an honor to take on the role of General Manager at Signature Truck Systems," said Salinas. "I look forward to building upon the strong foundation that Mike VanDenBoom and our talented team have established. Together, we will continue to prioritize delivering top-quality products and exceptional service to our customers while driving the company's growth and success."

Under Salinas' leadership, Signature Truck Systems is poised to expand its market presence, enhance operational efficiencies, and further strengthen its customer relationships. His strategic vision and deep industry insights will be instrumental in guiding the company toward a prosperous future.

"Eric's extensive experience and proven leadership make him the perfect choice to take Signature Truck Systems forward. I am confident the company will continue to thrive under his guidance," said VanDenBoom.

"We extend our heartfelt gratitude to Mike VanDenBoom for his many years of dedication and exceptional contributions to Signature Truck Systems. Mike has played a significant role in the company's success, leaving a legacy of excellence that will inspire us for years to come.
