

100K+
Poles installed

Lighting the Way Since 2001

For over two decades, Seminole Pole has been the trusted name in high-quality concrete light poles, with more than 100,000 poles installed. **Join us at the Street & Area Lighting Conference in Atlanta, GA, from September 22nd to 25th, at booth #701.** Our team is eager to meet you, discuss your needs, and answer any questions you may have. We look forward to seeing you soon!
