

Now **AS9100C** certified Quality Management System for Aerospace.

Celebrating 70 years of custom forging excellence.

For 70 years, Weldaloy has been providing industries with a single source for custom copper, aluminum and other non-ferrous metal forgings. Our goal is to create meaningful and lasting relationships with each customer by providing the highest level of quality and service. Our vertical integration process ensures we meet that goal each and every time. Perhaps that's why leading companies in aerospace, electronics, energy, and other industries have called us "partner" for seven decades. We hope you'll give us the chance to partner with you.
