Basic Foot & Ankle Sales Rep Product Training

July 18-21 in Hillsboro, OR

Join us for a four-day product training event covering Acumed and OsteoMed brand lower extremity, tendon, ligament, and biologic products from July 18-21 in Hillsboro, Oregon.

This course will focus on orthopaedic fundamentals, clinical indications, and lower extremity portfolio products provided by the Product Management and Sales Training teams. Additionally, designated sawbone product workshop time and a tour of the Hillsboro facility will be provided.

This training is for sales representatives with the following:

- Completed product training modules in Compliance Wire
- 3-12 months experience
- Desire additional hands-on product training

Sales representatives from all markets are welcome!
