Dear John,

I hope all is well with you and you are seeing a few homes that peak your interest from my emails and on the Orchid Island website. I want to make sure I am sending along the right information to help you with your home buying decisions.

In order for me to show you the best homes available, I'd love to speak with you about it. Are you available for a brief telephone call? If it's easier, you can reach me at this email. Let me know a time that is convenient for you.

Until then, you can always stop by our Feature Properties page by [clicking here](#) from the comfort of your home.

Regards,

Regards,
Bill Clem
