Dear John,

I am checking in with you from Harbour Ridge Yacht and Country Club, on South Florida's sunny Treasure Coast. With the opening of Lakeside, our Lifestyle Center, fitness classes, spa services and tennis matches have been being enjoyed. Our Pickleball courts are on the way too – meaning even more great fun for our active members. Our waterfront community continues to be a perfect fit for adventurous outdoorsmen, nature lovers, golfers and boaters who recognize an opportunity like this only comes along once in a lifetime.

With everything going on in the world right now, life is going to be different in the future? Are you in the right place?

Our ideal location gives us access to some of the best dining options around, all just a short drive – or complimentary water shuttle ride - from your front door. Downtown Stuart offers numerous dining, shopping and entertainment options. When things are back to normal, take a stroll through the local shops and stop in to one of the famed local restaurants here. The Boathouse, The Gafford and Osceola Street Café are all delicious options. And, if you save room for dessert, stop by Kilwin's on your way home for some homemade fudge, a caramel apple or handcrafted ice cream.

Want to stay even closer to home? Harbour Ridge offers multiple on-site dining options as well. Whether you're looking for an upscale, formal dining experience, or one that is comfortable and casual with live music, we offer something for every palate and atmosphere.

We'd love to show you around and give you a taste of our Club and community. Give us a call today to arrange a visit for the future or take a [Virtual Tour](#) of our Club amenities while you're at home.

Sincerely,
Lauren Pahl
