Dear John,

I hope this email finds you well. My name is Lauren Pahl and I am happy to assist you with any questions you may have about Harbour Ridge Yacht and Country Club, along with arranging a time for you to visit our Club and community when the time is right.

First, please allow me to give you a quick introduction to our community.

- Harbour Ridge is ideally located on South Florida's desirable Treasure Coast, a haven for nature lovers and boating enthusiasts as well as art and entertainment aficionados.
- Inside the gates of our well-established 885-acre community you'll find 695 residences among 28 villages. The developer sold out the community many years ago, and we have many resales throughout Harbour Ridge with multiple home types available. There are property types and sizes for everyone, all with incredible views.
- As a resident and member, you will enjoy an active lifestyle that features the best of everything - including three marinas with a combined 98 boat slips, two incredible 18-hole championship golf courses and one of the finest tennis facilities in Florida.
- Lakeside, our 22,000 square foot Lifestyle Center offers a state-of-the-art fitness center, fitness pool, nine Har-Tru tennis courts and a full-service salon and spa – with Pickleball courts on the way.

Click here to access our [Digital Brochure](#) which provides additional information about our Club and community. You can check it out from the comfort of

your own home.

Once you see how beautiful Harbour Ridge is, we trust you'll want to visit us in person. We're happy to schedule a future visit for you when things are back to normal. Upon arrival, you will be greeted with a smile, and will take a tour of our outstanding Club facilities, while taking in our breathtaking views of the St. Lucie River.

Exciting things are happening at Harbour Ridge every day and I encourage you to keep an eye on our Facebook page. We have received great feedback from current members who find it to be a great resource for information.

Please let me know if I can answer any questions in the meantime via phone or email.

Sincerely,

Lauren Pahl
