Protecting Your Tools

Help Me Prevent Theft

Hello,

You know how valuable your tools are. Unfortunately, so do thieves.

And if a theft occurs, you're not only without tools, you're without the ability to do your job and make money.

Prevention is good.

Stopping and deterring thieves is a good first step. We've got

Stopping and deterring thieves is a good first step. We've got some easy-to-use tips for keeping your tools safe and making them less attractive to criminals. Check them out.

Tool Theft Prevention Tips

Protection is even better.

When thieves steal your tools, they're taking money right out of your pocket, because you need to replace them. That's where Tools & Equipment insurance can come to the rescue. It often can cover replacement costs, up to the limits of your policy.

Getting covered can be fast and easy, too. We have our own online tool for that. Or, you can rely on one of our licensed insurance pros to get you the info you need and get you covered with a single call to (855) 226-0574, Monday-Friday, 8 a.m.-8 p.m.
