Capital at risk. Past performance is not a reliable indicator of future results.

Make crypto easy

Start with €100

Have you ever felt this way?

You don't know what to buy or when to sell.

You're afraid to lose everything on a single coin.

You don't have time for research and analysis.

Getting into **crypto is hard...**
but with Kriptomat, it's easy

Balanced investing. Zero guessing.

Skip months or years of guesswork and gut-wrenching mistakes with a pre-built investment strategy, designed for optimal performance.

24/7 Automated Portfolio Management

Forget about analytics or timing trades. [Kriptomat](#) tracks the markets and adjusts your portfolio every week or month to boost returns and capture the market trends.

More diversification. Less risk.

Warren Buffett didn't get wealthy on one stock, and neither will you. A balanced portfolio spreads your investments across multiple coins to reduce risks.

Easy to start (even for total beginners).

You don't need to be rich or super smart to start investing. You can begin with as little as €100 and let Intelligent Portfolios do all the work for you.

Make crypto easy

Start with €100

“

Kriptomat's Intelligent Portfolio made investing effortless for me. The automated management saved me time, and the €100 minimum Investment limit was perfect to start my crypto investment journey.

Kevin - 34

How it works

Start building your wealth the smart way in 3 easy steps.

Choose your portfolio
