
Village cafe world rank

A coffee shop in the West Village was just named one of the best in the world according to the newly released World's 100 Best Coffee Shops list.

Arcane Estate Coffee, located on Cornelia Street, was ranked No. 12 and is one of nine cafes in the US on the list.

The honor is an impressive feat considering it opened just nine months ago, "with the goal of creating a café that could showcase what makes Panamanian coffee remarkable," the coffee shop, which sources its coffee from family farms, wrote on Instagram of the distinction. *Brooke Steinberg*
