PIRATES OF PENZANCE GIVEAWAY

16 years after Mike Leigh made *Topsy Turvy*, about the theatrical partnership between Gilbert and Sullivan, the Oscar-nominated filmmaker is taking on their comic masterpiece *Pirates of Penzance* for the English National Opera. Following the absurd adventures of pirate-apprentice Frederic, it's a tale bursting with razor-sharp wit and brilliantly bonkers songs, including the delightful tongue-twister 'I Am the Very Model of a Modern Major-General'. With a directorial supremo at the helm, and a superb cast including Andrew Shore and Rebecca de Pont Davies, this eagerly-awaited production promises to be one seriously hot ticket when it opens at the Coliseum in May.

So you'll be keen to get your hands on our loot: two tickets to the show, together worth £230, plus dinner for two at HIX Soho. The seasonal British menu changes weekly, but starved seafarers can expect to tuck into pirate-worthy plates like blackface mutton curry and Peruvian Gold chocolate mousse. Well, shiver our timbers!

FOUR FAIRIES AND A PRINCE GIVEAWAY

Us Brits love a bit of Scandi style. From Ikea beating John Lewis as the nation's favourite store to the plethora of Nordic Noir dramas on the small screen, we can't get enough. It was with this in mind that mums Pinja Koivula and Caroline Hetterschijt launched kids' clothing website Four Fairies and a Prince, which took the principles of style and simplicity and added a dash of magic and creativity for little ones aged one to ten. Their ever-growing list of brands includes Leopold & Livia, which counts Swedish Crown Princess Estelle among its diminutive fans. Think gorgeous powder pink dresses and ruffle-collar blouses in cashmere, cotton and silk. We're also loving the cute handmade hair accessories by Sati – is it wrong to covet a toddler's style? This month, FF&AP are giving away an outfit to one lucky nipper, which includes a colourful cardi and super-cute top from Imps & Elfs, plus leggings from Milibe. Your mini Sarah Lund will thank you.

STRIP GIVEAWAY

Winter gives us lazier ladies an excuse to take a rather slovenly approach to our beauty regime – who needs hair removal when you're wearing a onesie? But tell-tale signs like unruly brows are harder to hide as the daylight hours increase. Time for a visit to beauty boutique Strip, whose Wow Brow treatment promises perfect brows in just 25 minutes. The treatment is tailored to your face shape, so whether you're a round Ruth or oval Olga, you'll have face framers to be proud of. An eyelash tint matched to your colouring then completes the transformation. And if that spurs you on to get the rest of your, ahem, house in order, Strip's other beauty offerings include laser hair removal, premier tanning and lingerie. This month, we're giving you the chance to get plucked and preened to perfection, with six Wow Brow treatments up for grabs. What you choose to do with the onesie, though, is really up to you...
