Why we're the ***right*** property manager for ***homeowners just like you***

We Do All the Work

- An Effortless Experience: Enjoy life as a hands-off landlord with Nested managing your property. Dealing with tenant requests and complaints is a huge headache, so we do that for you. We seamlessly support your entire journey as a homeowner landlord.

Make Money Without Lifting a Finger

- Save Money: Get instant relief from those burdensome real estate agent fees whenever you get a new tenant. When Nested is your property management company, the tenant pays.

- Wallet-Friendly: With most agencies, you'll get charged about one month's rent. Not with Nested. Keep that money in your pocket.

- Save Time: Don't waste valuable time collecting and checking payments. Sign up with Nested and we'll do all that for you. That's right: we handle all the payment-related work other landlords complain about.

7-Days-a-Week In-House Maintenance

- Fast Service: Repairs get done fast, costing much less than you'd expect.

- Dependable: Your tenants won't be left waiting when they need repairs. We deliver quality service fast.

- Verified Third-Party Professionals: We have a top-notch network of qualified third-party professionals for the most specialized tasks. Satisfaction guaranteed.

Premium Tenant Support, Every Day of the Week

- Easy to Access: Your tenants can reach us anytime, 7 days a week, via phone or even just a quick WhatsApp message.

- The Right Expertise: With years of experience, our customer care team has the expertise to keep your tenants happy.

Beautiful Interior Design

- Stylish Spaces (Affordably): We work with designers for an amazing look, without breaking the bank.

- Value Boost: Improve the charm (and value) of your property.

The Tenants You Need

- High-Quality Tenants: We'll get you top-notch tenants (such as employees of top companies or public institutions like the EU).

- The Best Vetting Process: Our vetting process identifies responsible, reliable tenants who pay on time for your property.
