A classic Versace men's cologne, Dreamer was launched in the 1990s. It's an outdoorsy yet universally appealing scent that has sweet top notes. Its middle and base notes are woody.

We chose this fragrance as best for outdoors and casual settings because of its unique notes. If you love the scent of tobacco, Dreamer is one of the few colognes today where you can find it. Dreamer is a classic fragrance.

Ever inventive, Versace has reinvented (and reformulated) Dreamer several times.
Other scents in Dreamer include amber, spice, and flowers such as iris. As such a legendary fragrance, this Versace creation is a go-to for many men.

As tobacco notes are so rare in today's fragrances, Dreamer is coveted by enthusiasts.
