Kimpton Hotel Palomar Los Angeles Beverly Hills

Hotel Description:

Located near Beverley Hills on Wilshire Boulevard, the Kimpton Hotel Palomar Los Angeles Beverly Hills is sleekly modern and creative in design. While this boutique-style hotel is strikingly stylish and sophisticated, it's quite laidback in atmosphere. The hotel is situated in an upmarket, residential neighborhood and is conveniently close to many restaurants, museums, and shopping opportunities. The Kimpton Hotel Palomar Los Angeles Beverly Hills features a restaurant called Double Take, which has a refined bar and well-designed game room where you can enjoy pool, shuffleboard, and other amusements. Guests enjoy being a convenient distance from such iconic locations as Rodeo Drive and the Troubadour, a live music venue.

Suite Descriptions for Premier Spa Suite with 1 King Bed

Short Suite Description: With a luxurious Fuji soaking tub and chic design accents, this distinctly upmarket and ample suite provides the ultimate in comfort.

Long Suite Description: The clean, contemporary design you'll discover in the Premier Spa Suite with 1 King Bed at the Kimpton Hotel Palomar Los Angeles Beverly Hills will make you thrilled with your choice. This welcoming 617-square-foot space offers everything guests could possibly need for work or pleasure. The large workspace with desk makes this suite a great choice for those with some tasks to accomplish during their stay. If work isn't part of the plan, spend even more time enjoying the two 50-inch flat-screen TVs. A plush King-size bed adorned with premium European linens awaits you when you want some rest. But before you go to bed, enjoy some indulgent relaxation in the Fuji soaking tub, making sure to enjoy the exclusive Atelier Bloom bath amenities.
