

We're scouting for a few great players.

Find out if you have what it takes to play on our team! For over 75 years, Snap-on has been a leader in the professional tool and equipment business, providing the automotive service trade with quality products and service.

You can be a part of our success by building a Snap-on business with your own "Showroom on Wheels."

A Snap-on franchise has unique features including a low initial franchise fee, a low, fixed monthly fee, no advertising fees, financing assistance and complete, ongoing training and support programs.

Your next phone call could be the best play you ever make. If you're looking for an opportunity with a difference, call Snap-on Tools of Canada Ltd. today.
