SERVING

We're partnered with several local schools to help meet the needs of local families. We make it a priority to serve locally, nationally, and internationally throughout the year. If you're looking for a way to actively give back to your community, Real Life can connect you!

COMMUNITY ONLINE

Faith can't thrive on Sundays alone. On our website, blog, and social media, you'll find plenty of resources to nurture your faith. We may not be able to answer all your questions, but we'll do our best to help guide you.

HOW WE DO SUNDAYS

Our services are at 9:00 and 10:45am every Sunday. You can get a feel for our messages at

If you have kids between the ages of infant and 5th grade, they'll go to Kidz Life, our Sunday morning program. Nursery, toddler room, preschool, and school-agers all enjoy age-appropriate activities that will capture their attention so Jesus can captivate their hearts.

Teens are invited to participate in the regular Sunday service; Real Life Student Life meets twice weekly, middle schoolers on Mondays from 7-8:30pm, high schoolers Wednesdays 7-8:45pm.

If you want to get a feel for the worship music we like to share on Sundays, browse through our Spotify playlist:

WHAT WE BELIEVE

To put it briefly, we believe in God who has complete power and is wise, good, loving, forgiving, and faithful. We believe that He sent His son Jesus and that Jesus was fully God and fully man. We believe that Jesus was crucified and resurrected as the fulfillment of God's covenant to bring us into full relationship with Him.

The six Core Values listed on the other side of this pamphlet are the concepts that define our ministry and give direction to our community.

We're people who love God and want to glorify Him by serving our community, having authentic and honest faith that isn't afraid of doubts or questions, and worshiping with our voices, talents, and resources.
