Code.gov November Newsletter

Greetings from Code.gov. Yes, we have not reached out to you in quite some time. 2018 has been a busy time for us here at Code.gov, and we are now looking ahead to new and exciting possibilities. We invite you to join us at any of our upcoming events, or check out one of our past events on our blog.

Tuesday, November 13th @ 6:00PM

REACT DC Meetup

Join React DC and Code.gov for an evening with Open Source leaders.

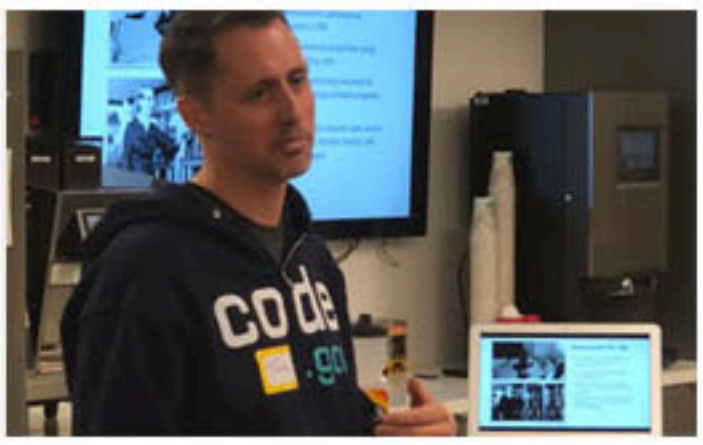

RSVP Now

Help Us Make Code.gov Better

We want to know about your experience in visiting our website and working with the various projects we offer access to. Be part of our next round of usability testing.

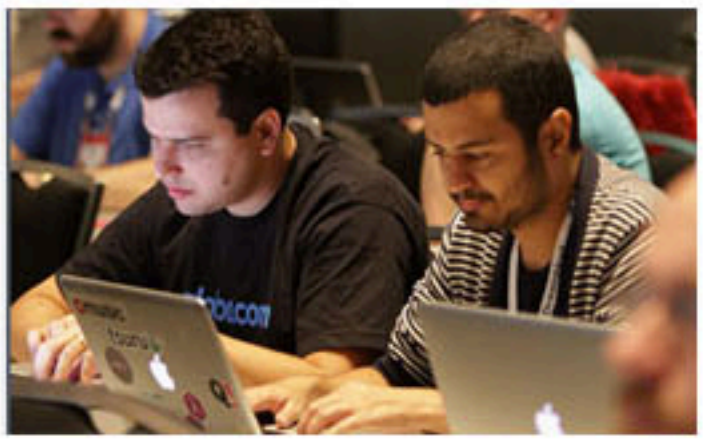

Email Us

Code.gov in Raleigh, NC

At the end of October, team members from Code.gov made the trip to Raleigh, NC for All Things Open. Pay us a visit on Medium and read up on our reception in Raleigh.
