

Rejuvenating Accommodations in the Bluffs

Hillside Luxury

Guests of Hapuna Beach Prince Hotel enjoy breathtaking oceanfront views and the rejuvenating benefits of underground springs. Sprawling 32 acres along the Kohala Coast of The Big Island, Hapuna Beach Hotel overlooks white sand beaches on the beautiful Pacific Ocean. All guests have access to nearby Mauna Kea Resort, making this hotel the perfect choice for budget-minded travelers.

Take Advantage of Island Living

Bask in the cool ocean breezes on Hapuna Beach with hotel-provided lounge chairs and umbrellas. Or relax poolside while sipping your favorite beverage at the Beach Bar. You can always shuttle over to Mauna Kea Resort and take advantage of their amenities as well.

To appreciate more of what the island of Hawaii has to offer, jump in the car and go for a drive. Travel 20 minutes inland to experience the lifestyle of modern-day Hawaiian cowboys in the town of Waimea. You'll see rolling pastures, livestock, and road signs signaling you to "whoa" rather than stop. Explore the countryside on horseback to appreciate the expansive beauty and clean air.

Visit Lapakahi State Historical Park while you're in Waimea to get a feel of native Hawaiian life as it was over 600 years ago. Swimming isn't recommended due to the rocky shoreline, but taking a self-guided tour of this fishing village will leave you feeling like you're walking in the pages of history.

Affordable Island Retreat

Hapuna Beach Prince Hotel guests enjoy ocean or terrace views, spacious beautifully decorated rooms, refrigerators and coffee makers, flat screen TV, private lanai, fine dining, luxurious spa amenities, and Hapuna Golf Course. Additionally, for the price of your room, you are also a guest of the Mauna Kea Resort and all it has to offer. What's more, you'll never pay a resort fee. How's that for a budget-friendly deal?
