

insurance by the hour? Day? Month? You got it.

Do you pay for 12 months' business insurance when you only need it a few months of the year?
Or days? Or hours?

Ever wished you could pay by the job instead?

You can.

Because since you last quoted with us, we've partnered with Verifly.

And now you can get custom-built business insurance that works when you work.

Pay only as you work

Whether you need it for an hour, a day or a month. You pay by the job.

And because you do more than one thing, your coverage is flexible, too.

You can add tons of different activities to your policy, plus extend or cancel. You're the boss.

Buy coverage that's your call. A \$1 million policy starts at \$5 an hour, with zero deductible.
