@pcscseniors

Imagine a serene setting on 84 acres. A backyard that encompasses miles of trails, gardens, ponds, gazebos and mature shade trees – along with all of the health and wellness services to enhance your well-being.

Welcome to The Village at Summerville, one of Presbyterian Communities of South Carolina's senior living communities for those 62 and over.

A full-service Life Plan Community, The Village at Summerville offers flexible senior living options from active lifestyle independent living to residential assisted living, memory support and skilled nursing.

Located in Summerville, convenient to Interstate 26 and approximately 30 minutes from downtown Charleston, The Village at Summerville is a community where residents are free to engage at their own comfort level.

Replace with According to the dedicated staff, the residents are the focus, and providing the highest quality of care to enrich their lives is the goal.

"The Village at Summerville has afforded me the opportunity to truly focus on quality of life for our residents and staff," said Health Care Administrator Cindy Robbins, who has been at The Village for two-and-a-half years. "The culture and structure allow each of us to be unique and work as a team to create a fun, caring environment. Our team constantly strives to improve, and that is the key to long-lasting quality and relationships."

"Everyone puts their best into the plan of care for our residents every day," said Director of Nursing Mary Guillaume, who has been with The Village for nine years. "This enables safe healing, life enrichment and quality of care for each and every resident we serve. Health care has so many paths a nurse can take. Senior living has always been mine."

"Staff treat residents like family," said Certified Dietary Manager Diana Brito Maldonado, who joined The Village in August. "Everyone works to care for our residents as if they were our own parents or grandparents. The compassion I see daily at The Village gives me hope for the future."
