# DonorCentral

Helping You Stay Connected to the Causes You Care About

DonorCentral® is a web portal that gives you online access to your fund and grantmaking information, and enables you to recommend new grants anytime, anywhere. Stay engaged with your foundation and ensure that you are always informed of the most relevant funding opportunities. With DonorCentral, you'll rest easy knowing that you can effortlessly connect to the causes you care about.

With DonorCentral, you can:

## Save time with online access to fund statements

Stop waiting for fund statements to arrive in the mail. With DonorCentral, simply log in to your account and download your statements instantly, right when you need them.

## Give proactively with a grant recommendation form

DonorCentral's enhanced grant recommendation form lets you log on and suggest a new grant the moment you think of it, regardless of time or location.

## Keep fund summary information at your fingertips

A separate Fund Summary page condenses all of your fund information into easily digestible page parts. Open this page to quickly see grants paid, pending suggestions, gifts, relative market value, spendable balance, and more!

## View funding opportunities, based on your philanthropic interests

Specify your interests and keep them up-to-date on your My Profile page. You'll then receive custom communications based on your self-defined interests. Stay informed about the opportunities that interest you most.

## Quickly identify suitable charities to support

A Research Charities page allows you to find suitable charities by searching on various criteria, including primary program focus, name, location, and tax ID. Finding the right charities to give to has never been easier!

## Extensive information on your Home page—right when you log in

Your Home page holds significant amounts of information in individual page parts, allowing you to see the most relevant and timely information the moment you log in. Some of the information that may be provided to you includes:

**Fund Information:** View your fund balance on your Home page. Want more information? Easily drill down to access more detailed fund summary information, such as grants paid, grants pending, and total gifts received.

**Funding Opportunities:** Your foundation can notify you of current funding opportunities—organized by program type and based on your self-defined interests. If you see an interesting opportunity, you can make a grant suggestion on the spot.

**Recent Grantees:** A list of your most recent grantees makes it quick and easy to keep track of the most recent organizations that received money from your fund.

**Your Giving History:** You can easily see how much each of your historical grantees has received from your fund with an easy-to-read chart that breaks aggregate award amounts down by organization.

**What's New Highlights:** Your foundation can share with you recent news, upcoming events, and any other pertinent information. And the best part is you will see it all the moment you log in.

**Additional Resources:** Depending on what you need to see most, your foundation will include additional resources in a separate section with links to things like FAQs, frequently downloaded forms, or research from Guidestar.org.

To date, over **\$5.5 billion** in grant suggestions have been made with DonorCentral.
