FUEL YOUR SUMMER ADVENTURES

FROM MICHIGAN TO CALIFORNIA

With over 800 stores in 20 states, Maverik or Kum & Go is the best first stop on any road trip

Road-trip season has arrived, and you've probably started a wish list of trails, parks, and towns to visit. As you plan for summer, here are three adventure destinations with a Maverik or Kum & Go premium convenience store experience nearby to fuel the fun.

GARDEN OF THE GODS PARK—COLORADO
Located on the western outskirts of Colorado Springs, Garden of the Gods Park offers near endless options for exploring untamed beauty. With vehicle or bike tours, rock climbing, and hiking trails, this geologically diverse playground is home to 300-foot-tall sandstone formations to inspire your adventures. Plus, the nearby Maverik is perfect for a post-hike slice of pepperoni pizza and an 89¢ fountain drink—a summer steal at every store location.

DEVILS TOWER NATIONAL MONUMENT—WYOMING
Fill up your fuel tank and grab a brisket burrito or teriyaki beef jerky at the Kum & Go on your way through Gillette, Wyoming. Devils Tower National Monument offers hiking trails and stargazing opportunities around this geological wonder: a jaw-dropping butte that rises nearly 900 feet above Wyoming's rolling prairies. Steeped in Indigenous oral histories that date back millennia, this sacred location has a storied past layered into its unforgettable scenery.

RIVER PARKS—OKLAHOMA
Nestled in picturesque Tulsa, Oklahoma, River Parks offers beautiful options for anyone wanting to spend more time outside. The sprawling greenspace has more than 26 miles of paved trails crossing the Arkansas River and features lush gardens, fountains, life-size wildlife sculptures, playgrounds, and gathering areas. And with ten nearby Kum & Go locations, there are plenty of places to stop for a clean restroom and fresh-made Bean to Cup coffee before getting into nature.

Maverik takes being *Adventure's First Stop* seriously, and Kum & Go offers welcoming storefronts to travelers, with locations across 20 states from the Midwest to the West Coast. Both are well known for their premium coffee and delicious food—made fresh daily—and incredible fuel, drink, and snack values. Be on the lookout this summer as Maverik expands its exciting rebrand of Kum & Go into Colorado and Wyoming.
