“

I changed over from another major carrier that offered the same coverage for twice the cost. *-John, San Diego, CA*

”

Who are we?

Founded in California in 1958—the height of America’s love affair with cars and the open road. We’ve been helping drivers in California and elsewhere cruise ever since, with great direct-to-you insurance savings and helpful service. We’re part of the Farmer’s Insurance family, so you can expect us to deliver our best to you every day.

How do we do it?

Simple: we sell direct to you, with no agents or middlemen in the process.

“

I love the fast and attentive service from customer care. Very patient and informative. *-Cadi Sean, San Francisco, CA*

”

What makes you better than my current carrier?

We think a lot of things set us apart and ahead of the rest.

- We’re a Farmer’s Insurance company
- We were ranked #1 in Auto Insurance Website Responsiveness by Keynote®
- We offer standard coverage at deep savings
- You get caring, responsive service from us
- You can pay online and go paperless
- Your policy is online (so you’ll never misplace it)
- Need a repair? You have access to Farmer’s trusted Circle of Dependability Program.

Can I talk to someone?

Anytime you want.
Call us 24/7 at (877) 310-5687 for questions or claims service

*National average annual savings developed from information provided by new policyholders from 7/01/12 - 06/30/13 that shows they saved by switching to 21st Century Insurance.
