Turning 5 is kind of a big deal

At West Lakes Early Learning Center, we see your child's early milestones every day. From first steps to first friends, from amazing discoveries to cavalcades of emotions, we celebrate them all.

NOW THAT IT'S OUR FIFTH BIRTHDAY, TAKE A LOOK AT SOME OF THE MILESTONES OF OUR FIRST FIVE YEARS.

Let's keep growing!

The first years are critical to childhood development. We've grown with your kids, making sure they thrive — physically, mentally and spiritually. And like them, we're ready to keep on growing, continuing to offer education, health, wellness and social services designed to prepare your kids for a bright future.
