

**YOUR RESILIENCE AND SPIRIT
OUR STAFF AND TECHNOLOGIES**

Together, we're unstoppable.

The consequences of a stroke can be devastating. But you have the strength and courage to conquer anything. The road ahead may be uncertain, but one thing is for sure: the AdventHealth Daytona Beach Comprehensive Stroke Center is on your side. That designation means we have the most advanced technologies and personnel available to treat all types of strokes, no matter how complex. With your determination and our specialized technologies and innovations, we make a powerful team.
