MOMENTS
A world away in your own backyard
Feel whole
Take a moment to commune with nature. Enjoy a slow-paced, mindful journey through some of Central Florida's most beautiful parks with a guide who'll invite you to explore the restorative, peaceful setting more deeply. Learn the secrets of stillness, see Florida's unique wildlife, cross meandering boardwalks and gentle terrain under the canopy of shade-giving trees. Connect with nature in a whole new way. Each three-hour event is limited to just 12 people, so be sure to sign up early.
