WHO WE ARE

The Iowa Great Lakes Association is the only 501(c)(4) environmental association in Dickinson County that protects, preserves, and enhances the Iowa Great Lakes.

ABOUT IGLA

WHAT WE DO

The Iowa Great Lakes Association supports clean water efforts, as well as other environmental and social initiatives, that protect and preserve the natural resources and ecotourism impact of the Iowa Great Lakes. Our work enhances the quality of life for the entire region.

LATEST PROJECTS

HOW WE WORK

As a 501(c)(4) environmental association with offices in Okoboji and Des Moines, the Iowa Great Lakes Association advertises, lobbies, and takes legal action to effectively work with local and state governments to impact real change to support our causes.
