-
- Live through personality, not just appearance
 - Respect people, but never let them press you or decide for you how to live
 - Interesting, but don't care about hype
 - Use tricks and lie just to feed your kids and never more
 - Can be attractive, but not vulgar
 - Believe in love and Unicorns, don't take fakes instead of them
 - Care about the globe, not just about your pets
 - Can be a member of a team or union, not mob
