

THE UNIVERSITY OF TEXAS AT DALLAS

**UT Dallas is growing entrepreneurs.
Help plant the seed.**

INSTITUTE FOR
*Innovation and
Entrepreneurship*

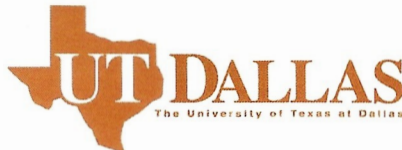

UT Dallas has built a rich history around excellence in academic performance, creating stellar well-rounded individuals, and pioneering future business leaders of America. Today, there is a growing need to leverage the historically rich environment of investing in entrepreneurial endeavors.

The **UT Dallas Student Seed Fund**, a program of the Institute for Innovation and Entrepreneurship, will enable entrepreneurial students, faculty and alumni to seek seed investments in high-potential startups by engaging in a rigorous due diligence process that leads to initial equity investment funding.

Help us reach a goal of raising \$100K by the start of the Fall 2016 semester. Every dollar contributed is eligible for matching funds, accelerating the growth and helping to produce entrepreneurs and provide real-world experience in venture finance.
