Nick's Italian Restaurant

Fresh ingredients ... generous portions ... relaxed atmosphere ... moderate prices – if these items rank high on your dining checklist, then head to Nick's Pasta Place Italian Restaurant at 4057 Bellaire Blvd. Nick's offers a large selection with generous portions of "Cuisine Neapolitan," – sauce-based dishes with a Mediterranean influence.

As tempting as it may be to eat several pieces of the warm, complimentary garlic bread as you peruse the menu, save room – there is much more in store for this dining experience.

Each day Nick's menu spices up lunch and dinner specials with innovative versions of classic Italian dishes, as well as some culinary masterpieces of their own. The Linguine Pescatore features clams, muscles, calamari and shrimp in a zesty tomato sauce. The Pasta Italiana tosses spaghetti or linguini with Italian sausage, red, green and yellow bell peppers, and fresh mushrooms that have been sautéed with garlic in olive oil.

On the lighter side, Nick's offers lower-calorie menu items such as grilled salmon, grilled chicken, and steamed vegetables.

Other favorites include spaghetti topped with finely chopped, roasted garlic, and olive oil infused with basil, and Veal Scaloppini Marsala, where the tender veal cutlets are sautéed with fresh mushrooms in Marsala wine.

A glass of the house Chianti is sure to compliment any of these dishes and more – even those traditionally complimented by whites and rosés.

Nick's warm and relaxed bistro-style atmosphere is open Sunday through Thursday from 11 a.m. to 10 p.m. and Friday and Saturday from 11 a.m. to 10:30 p.m. Children's and take-out menus are available. No reservations are required.

If it's fresh and generous portions of Italian food you're craving, bring your appetite to Nick's.
