COMPAQ

Chances are you'll be in the winner's seat.

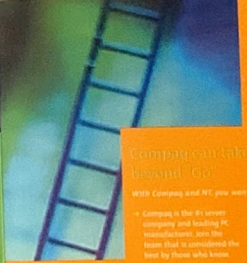

In a game, the winner is the player who is aware of all available options and is poised to act on them. Likewise, those who are successful in business have explored all possibilities and recognize valuable opportunities. For those who are ready, Compaq and JD Edwards offer a OneWorld Microsoft Windows NT Solution that empowers you to take charge of the game.

Today's fast-paced and complicated world requires a winning solution that can readily accommodate a growing business and changing technology. To meet this demand, smart companies are making the move to NT, and are choosing Compaq for their OneWorld NT solution more than four times the nearest competitor. Compaq offers a seamless upgrade path and Y2K compliance that will transport your company far into the future.
