

Six Senses Laamu

Dear `*|FNAME|*`, take a well-deserved break and discover a remote paradise...

Located in the irresistible Maldives, **Six Senses Laamu**, the only five-star resort in the atoll, is set in a palm-fringed lagoon to fill you with wonder and fuel your wanderlust.

Villas with all the creature comforts are set either on stilts over the water or on the beachfront, and are an easy wander from the resort's restaurants and lounges, all constructed with sustainable materials.

Amazing and memorable excursion experiences are on offer all year round. Enjoy out-of-the-ordinary experiences, extensive dining options, and full wellness programmes. Beautifully remote, but easily accessible by plane and boat from Malé (MLE) International Airport.

Discover a Haven on Earth

5-Star Accommodation

Six Senses Laamu in the Maldives has 97 spacious water and beachfront villas. With a wide-range of villa options to choose from, become intertwined with the outstanding natural beauty of the island.

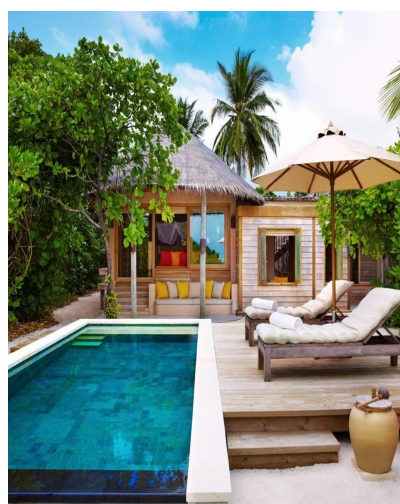

Villa Choices

Excursion Experiences

Discover jaw-dropping wildlife. Diving choices are endless, with frequent sightings of reef sharks, manta rays, turtles and colourful fish. Surfing classes are also available, for beginners and pros.

Exciting Activities

Gorgeous Amenities

Bask and indulge in the luxurious on-site amenities. Six Senses Spa offers nine private treatment nests, either with an ocean view or tucked away in the lush nature. With restaurants, a wine cellar, a signature bar, the dive centre, and retail boutique, guests never have to take one step out of the resort.

→ Help Support Local Communities

Whilst enjoying a luxurious retreat, a trip to Six Senses Laamu also means you would be helping to support local communities, of which Six Senses Laamu is proud to support in so many ways. The resort follows sustainable practices and supports the local communities, with fresh produce such as local fish and vegetables sourced from the surrounding area.

The Maldives Underwater Initiative (MUI) team are one of the largest resort-based marine biology teams in the nation who are committed to preserving Laamu's marine life through research, guest education and community outreach.
