"Another Great New Product From Masterbuilt"

★★★★★

" Masterbuilt has done it again, another amazing product to add to our arsenal. "

"Ease of a pellet grill, with flavor of charcoal"

★★★★★

" If you are someone who is looking to cook a few racks of ribs or wings, as well as searing steaks and burgers, this is a great cooker for you. "

"Rock Solid Temperature"

★★★★★

" Charcoal is easy to light and the digital controller and app are easy to use for monitoring the cook. All around this is a solid grill and smoker. I would highly recommend it. "
