

CAVALIER AND BAKER'S SADDLERY TEAM UP TO SPONSOR RIDER AT LUCINDA GREEN CLINIC

TOTTENHAM, ON – Eventing Canada (!) is delighted to announce that Cavalier Equestrian Inc., of Stratford, Ontario (<http://www.cavalier.on.ca>), and Gormley, Ontario's Baker's Saddlery (<http://www.bakerssaddlery.com>), have teamed up to offer a full sponsorship to one lucky rider in the upcoming eventing clinic with Lucinda Green, MBE.

Eventing Canada (!) has selected Caroline Godson, of Georgetown, Ontario, to receive this unprecedented sponsorship. Godson will have her clinic fees and stabling fully covered by Cavalier and Baker's Saddlery.

Cavalier is also donating a beautiful Vespucci bridle, to be awarded to a clinic participant.

In addition, Eventing Canada (!) would like to thank Succeed Digestive Conditioning Program (<http://www.succeed-equine.com>), which has donated a 30-day supply of its supplement which supports the equine digestive tract, to the clinic's "most improved rider" over the course of the two days.

Green, a six-time winner of the Badminton Horse Trials and an Olympic silver medallist for Great Britain, is truly one of the legends of the sport of three-day eventing. She will be teaching at Pommele Acres, in Tottenham, Ontario on June 4 and 5, 2016, as part of a seven-stop North American tour.

Eventing Canada (!) (www.eventingcanada.com) is a not-for-profit, independent supporter of the sport of eventing in Canada. It hosts a number of high-profile clinicians throughout the year, as well as the popular *Ride For Riders* (this year on July 31, 2016), which offers affordable clinic opportunities to riders while raising money for the Event Riders Benevolent Fund.

In addition, Eventing Canada (!) offers an annual Youth Bursary named for long-time supporter, Heather Wellman. This year's recipient is 18-year-old Charlotte Jones-Whitehead.

Baker's Saddlery will be on-site for the two days of the Lucinda Green clinic, featuring Amerigo saddles (sponsors of Lucinda Green) and Vespucci equipment which will be available for clinic participants to try.

Auditors are welcome at \$10/day.
