

It's time to switch to Basic Premium TransitChek®

Big Payoff. Less Work.

All Year Long

TransitCenter encourages greater use of public and private transit services, in order to improve mobility, reduce traffic congestion and air pollution, and to support the region's economy.

It's a Snap to Manage...

a Cinch to Start

Basic Premium TransitChek® provides the payroll tax and commuter savings advantages that your company and employees currently enjoy from the TransitChek® program. The big difference is that when it comes to generating those company-wide savings, Basic Premium TransitChek makes it a lot easier for everyone. Here's how, at a glance...

> **Easy Enrollment and At-Home Benefit Distribution.** Your employees can enroll individually by logging on to our secure website or calling a toll-free number. They'll receive benefits through the mail, and can always call a TransitCenter Customer Service Representative for assistance.

> **Fully Automated Administration.** No fuss, worry or hassle with this program. It's virtually turnkey. Upon the close of the employee enrollment period, you'll receive a highly secure electronic file detailing the enrolled employees for verification and setting up payroll deductions. Then you simply deduct the designated amount from each employee's monthly salary, and make a single monthly electronic payment to us. Rest assured, your company will have a dedicated Account and Customer Service Team to set up the program and to work directly with your employees.

> **Free Marketing Support.** You'll receive employee communications to help generate program awareness and maximize employee enrollment.

Online Enrollment for employees, Enrollment Posters, Paycheck Inserts and more.

> **Three easy and convenient ways for your employees to pay for their commuting expenses.**

EXCLUSIVE **Premium TransitChek® MetroCard®** for a year's worth of unlimited rides all year long on MTA NYC Transit subway and local buses, as well as other MetroCard-equipped buses for local service.

NEW **Automatic crediting to employees' Ticket-by-Mail accounts** for use on MTA LIRR, MTA Metro-North Railroad, NJ TRANSIT, PATH, and Hoboken Ferry.

AS ALWAYS **TransitChek® Vouchers** for use on all other mass transit services in the New York metro area.

For a list of participating operators, log on to www.transitchek.com.

Switch now and lock in our discounted 4% processing fee for the life of your contract.
