PERSON ON PHONE (OPTIONAL)

INT. FANCY RESTAURANT - DAY

CUSTOMER sits alone at table (optionally, with CUSTOMER 2).
WAITER approaches, holding an oversized cream pie with two hands.

WAITER

Would you care for some dessert?

CUSTOMER

No, thanks, I couldn't eat another bite.

Waiter leans in a little with pie.

WAITER

Are you suuuuuure? It's delicious!

CUSTOMER

No, really, thanks.

Waiter approaches in a little more.

WAITER

Just one piece. A little taste?

CUSTOMER

(irritated)

No.

Waiter edges in uncomfortably closer, poising as if preparing to deliver pie-in-the-face.

WAITER

I bet you want -

CUSTOMER

No.

WAITER

It's our specialty -

CUSTOMER
(very uncomfortable)
No!

WAITER
C'mon, just -

Waiter hears the sound of his phone ringing, puts pie in one hand, pulls phone out of pocket.

WAITER (CONT'D)
(improvised - bad to worse
to really terrible things
happened - Waiter is
informing the audience of
all the horrible details
by "repeating" them back -
Waiter is verbally
inappropriate in front of
the Customer)

Customer looks more and more horrified, as does Waiter.
Eventually Waiter shuts off phone, is in shock. Sets pie on
table.

WAITER (CONT'D)
Uh, I, have to go!

Waiter exits, leaving Customer alone with pie. Customer eyes
pie.

CUSTOMER
Mm, pie!

Customer digs in.
